

Distinguished Lecture Series 1

Chongkug Park Sungyoung Lee (Eds.)

Multimedia Technology

March 2001 ~ June 2001

Institute of Multimedia Technology
Kyung Hee University, Korea

1st Distinguished Lecture Series

(March 2001 ~ June 2001)

Volume 1, No 1

June 2001

Table of Contents

1. Internet QoS Management Challenges 1
March 9, Engineering Building Room 102, Taesang Choi, ETRI

 2. Trend of Linux Technology 27
April 16, Engineering Building Room 102, Karp Joo Jeong, Dept. of Computer Engineering, Konkuk University

 3. Home Networking Technologies and PostPC 47
May 8, Engineering Building Room 102, Hoin Jeon, Electronic Engineering, Kyung-Won University

 4. New Challenges in Real-Time Systems and Databases 103
May 22, Science Building Auditorium, Sang H. Son, Dept. of Computer Science University of Virginia, USA

 5. Novel Technologies for Wireless/Mobile Network 125
June 20, Graduate School of PanPacific International Study, Auditorium, Sungwon Lee, Samsung Electronics Co., Ltd
